

Mari Ari – Return Form

Online Return and Refund Policy

Our return policy gives you 7 calendar days from the shipping arrival date, or receipt date of the original purchase, which ever works for you; to return any product, provided it's new, unused and in the original packaging as received or defective. We highly recommend that the buyer thoroughly inspect the purchased product before using it and also ensure the user of the product is familiar with the correct application and proper care.

Mari Ari will only pay the return shipping costs if the return is a direct result of our error (you received an incorrect item) and re-ship the correct item at no charge.

All "Free Shipping Offers" will be charged a normal shipping charge before a refund is issued.

If the product has been worn, or modified from its original (new) condition, the refund will be declined, and there will be a shipping cost, of \$13 USD flat rate, to send this product back to the costumer. After a month of storage without any arrangement from the costumer to obtain this product back, we will properly dispose of the product. And the transaction will be closed in our system.
